MELBOURNE CORNERSTONE - The senior yearling bull from our show herd that topped his class at the International. He is a good one. By the 2,200-lb. Remitall Captain Jim and out of the same cow as the \$7,700 Melbourne Consort, stock bull for Bilmar Farms, Durand, Mich. His 205 day weight was 611 lbs. 365 day weight 932 lbs. and on October 10, 1969, he weighed 1,725 lbs. He sonorayed a ribeye of 1.93 square inches per 100 lbs. of carcass. We have used this bull on a few selected females.

ABERFELDY JUSTIN - By the AAA, 1962 International senior champion Aberfeldy Captivator that sired the 1967 International supreme champion Aberfeldy Heir and the 1968 International reserve champion, Aberfeldy Jason. Captivator has proven a popular sire because of the size and ruggedness he stamps on his offspring. He weighed 2,100 lbs. on pasture. His dam is a 1,500 lb. cow by Aberfeldy Royal Robin, certainly the greatest sire ever used at Aberfeldy. Justin is out of the same cow as Aberfeldy Improver, herd sire for Don Obrecht & Sons, Harlan, Iowa, and she is a maternal sister to Aberfeldy Fearless used successfully in the Redline Herd, Dumas, Ark.

BRENTWOOD BASIC - This excellent bull was reserve junior champion at the 1968 Nebraska State Fair. He was also first in his class at the 1969 Iowa State Fair. His full sister was champion and top selling female at the Iowa Royal Sale in Des Moines.

The Shorthorn influence is becoming more and more marked on western ranges as more practical cattlemen discover the superior profit-making ability of Shorthorns.

C.A. Mallett Cattle Co., Miles City, Montana writes:

"Our cow herd contains 600 Angus and crossbred cows. Our entire sire battery is now Shorthorn bulls. We purchased Shorthorn bulls to get a better calving percentage, a heavier calf, and a better feeding animal.

Shorthorn crossbreds wean about 10 percent heavier than straightbreds of other breeds. I think the Shorthorn cross will eliminate a lot of the cancer eye and womb troubles of the Hereford."

GOOD HOPE MAXIMUS - This is a very big, long, good headed, modern bull by a son of Calrossie White Emblem, a bull, as we look back, was no doubt one of the best bulls to ever leave Calrossie. His many sons of extra size left a lasting influence on Western Canadian Shorthorns. Maximus was shown at all the strong Western Canada shows last summer and stood from 1st to no lower than 3rd at all these shows including the Regina National. Maximus' dam is one of the best daughters of TPS Coronet Leader 21st x, whose progeny are consistently winning at all leading American shows and are making leading stock bulls because of their extra size. The Leader 21st sons have won greater-than-ever ranch acceptance for Shorthorns. This dehorned bull has the breeding and size to head a leading herd and to warrant YOUR close inspection. When have you ever seen a pedigree with Calrossie, Scotsdale, TPS and Remitall all in it?

GREEN VALLEY EMBLEM - Never defeated in class and never out of the champion circle at the five fairs where shown including the big National Show at Lincoln, Nebr. This is a big, modern bull with a world of muscling and trimness. He is probably the best bull we have presented at a sale and is certainly worth traveling a distance to see.

FF CORNERSTONE 11TH - His sire weighed 2,210 lbs. as a three year old. The 11th is a half brother to bulls now in use in such herds as Tomson Bros., Wakarusa, Kans.; Colomeadow Farms, Byers, Colo.; Ashbourne Farms, LaGrange, Ky and Braemor Shorthorns, Walton, Nebr. A half brother was supreme champion at the 1969 International for Ashbourne and this bull has a lot of his modern characteristics. Sons of WSU Cornerstone 4th have topped every sale in which they have been entered.

SMALLFLOWER LEADER 3RD x - This is a very trim, extra long, extremely modern prospect by one of TPS Coronet Leader 21st's best breeding sons. We are bringing him because of the intense interest in bulls with extra size, more length and trimness. His half brother, by the same sire, sold for \$2,000 in the Thomas-Gordon-Draper Sale to KABSU, Manhattan, Kans. They said, on viewing the bull "any day you can buy a bull like that with his size, regardless of breed, buy him for us." The dam of this bull is a big cow being a blend of the noted Killearn Max 5thnd OAC Mayflower Ransom lines. It is not often you have a chance to buy a bull with all this fellow's bred-in size. He can put your herd years ahead.

PA DO NEMAHA CHIEF x - Weighed 1,205 lbs. on November 26th. Sonorayed a 2.05 sq. in. loin eye per 100 lbs. of carcass weight with a .16 backfat reading and a cutability score of 2.03. He gained over 3 lbs. a day on test. His sire weighed over 700 lbs. at seven months of age and 1,065 lbs. at a year and he has consistently sired fast gaining progeny with high carcass yields. His dam's 205 day weight was 502 lbs. and 780 lbs. at a year with a 1.9 sq. in. rib eye per 100 lbs. carcass weight at 3 years of age. Sutherland Chieftain x and GF President 9th x are both Progeny Registered with PRI. He is well muscled, modern, has a clean poll and should be a dehorner. He is backed by a world of size and should make a ton bull.

These three bulls made up the winning junior get of sire at the 1969 Iowa State Fair for Bill Anderson. All three of these sell in this sale.

KC TEHRAN - A very modern, young herd sire by perhaps the largest Shorthorn bull of the breed. Scotsdale Tehran has consistently bred cattle with great size and stretch. Sons have topped the Scotsdale sale year after year and many of the best herds are infusing this blood. The dam of KC Tehran is a beautiful cow and a good milker. Her sire was a Perth reserve champion and did a great job at Scotsdale. Semen test and performance records may be had on request.

ELMWOOD APOLLO - A calf with a good rear quarter. NL's Roan Lady produced Elmwood Roan Lad, our champion bull at the Western Shorthorn Ass'n show and sale last spring. He sold to Leo Banks & Son, Spanish Forks, Utah. Colomeadow Ultimate is siring good, uniform calves. His 1969 steer calves averaged \$207 a head.

A thick-made Shorthorn bull moves out to the cow herd in the Burke Johnson herd, Crowheart, Wyoming. Johnson sold his calves in Omaha in early October with the top load grossing nearly \$200 a head.

MPS SWEET VICTORIA x - A polled heifer from a 11 year old cow. Not highly fitted but could be a good show prospect for 1970. She should develop into a productive cow as have her mother and sisters.

DELWIN LOVELY LOU - Bred to Bapton Toreador that sold in the Mains Sale for \$10,000 for one-half interest.
This heifer was second in class to the grand champion at the 1969 International.

WHAT IS A SHORTHORN BULL WORTH?

What is a good Shorthorn or Polled Shorthorn commercial bull worth? Those of you who have had experience with Shorthorns know their superior profit-making ability and have a figure in mind. For those of you who have not had experience with Shorthorns, we cite this story

Ray Holder, Harrisonville, Mo., used a Shorthorn bull on 20 cows of another breed. He used a bull of the same breed as the cows on 20 others.

Nineteen crossbred calves resulted. These were developed the same way and on the same feed as his straight-bred calves. At the end of eight months, when sold, the crossbreds averaged 189 lbs. a head more than the straightbreds and sold for the same price. The heifers sold for \$20.00 per cwt. and the steers for \$23.00.

A little arithmetic shows that the Shorthorn bull added \$43.47 to the value of every steer calf and \$37.80 to each heifer calf. If ten of these were steers and nine heifers, the added return from using a Shorthorn bull was \$774.90 on just one calf crop of 19 head.

Good Shorthorn bulls will make you money. We have the profit-making kind in this sale.
